
Answer each question.

Problem	Answer	Problem	Answer
1. Which branch makes laws?		4. Two parts of Congress	
2. Which branch carries out laws?		5. Highest court in the US	
3. Which branch interprets laws?		6. Why are there three branches?	

Notes

Answer key – Three branches of government

#	Problem	Answer
1	Which branch makes laws?	Legislative (Congress)
2	Which branch carries out laws?	Executive (President)
3	Which branch interprets laws?	Judicial (courts)
4	Two parts of Congress	Senate and House of Representatives
5	Highest court in the US	Supreme Court
6	Why are there three branches?	So no branch has too much power (checks and balances)
